

ANNUAL REPORT

2019 - 2020

LETTER FROM THE PASTOR

Many in our church have been studying through the books of Acts this Fall. Perhaps the main theme in Acts is “the word of God increased and multiplied.” What we find in Acts is story after story of internal challenges within the church such as sin, conflict, sickness, as well as external challenges such as persecution, but none of it could stop the advance of the Gospel!

This is no less true today. Despite our failings and weakness, despite difficulty and barriers, God is still moving and working to advance the Gospel in and through the church of Jesus Christ in 2020 - and we have seen evidence of it in our own church.

The pandemic has pressed us into learning new ways to use technology which has widened our witness and expanded our reach - “and the word of God continued to increase and multiply.”

The upheaval of racial and political tensions has provided a providential moment to shine the beautiful light of the just and peaceable Kingdom of God - “and the word of God continued to increase and prevail mightily.”

And the paralyzing unknowns of the future have actually given us the freedom of a more humble, daily, and simple approach found in the ministry of hospitality - “and the word of God continued to increase and disciples were multiplied.”

This is Good News!

*Soli Deo Gloria!
Pastor Andrew Hendley*

NEW LOOK

LOGO REDESIGN

We released our new logo in March after almost a year of work.

The new weave pattern represents how we seek to know God (upward loop), grow together (square loop) and reach our world (horizontal loop).

MISSIONS

Campus Outreach Office Relocation

This summer, the UWC Campus Outreach staff moved their office into the modulares on King's Chapel's Campus.

Open Hands During CoVid-19

King's Chapel supported Open Hands via volunteers and donation during the pandemic shutdown.

Baby Bottle Boomerang

Our congregations raised \$1,826.82 for the Pregnancy Resource Center during the annual Baby Bottle boomerang in January and February.

Safe Families Ministry

This year, Carroll County launched a chapter of Safe Families for Children. King's Chapel now supports the ministry with \$5,000 a year.

LOOKING FORWARD

Worship Ministry Cultivation

The dramatic expansion of stewardship in the worship at King's Chapel to cultivate and increase our love for the Lord our God

Student Ministry Investment

Increase the resources and focus on the discipleship and care of our students by adding the help of full-time student ministry leadership

Expanding and Cultivating Our Gospel Reach Through Technology

Making our welcome more visible and beautiful to a broken and needy community through a new church sign. As well as expanding our reach in telling the Gospel story and increasing our ability to share Gospel stories in the lives of God's people more beautifully through the qualitative and creative use of our new video equipment
